## Clinton Keith Road Extension Project PHASE 3

### PROJECT PARTNERS

TRANSPORTATION AND LAND MANAGEMENT AGENCY

RIVERSIDE COUNTY TRANSPORTATION COMMISSION

## PROJECT FACTSHEET

The County of Riverside in cooperation with the City of Murrieta, will continue the Clinton Keith Road Extension Project by constructing the final segment between Leon Road and State Route (SR) 79, including constructing a bridge over the French Valley Creek, in the City of Murrieta and French Valley area of Riverside County. In addition, Leon Road and Max Gillis Road will be resurfaced. Other improvements include traffic signal modifications.

### IMPROVEMENTS

#### AREA 1

- Max Gillis Road from Leon Road to Winchester Road: Pavement resurfacing
- Leon Road from Clinton Keith Road to Baxter/Jean Nicholas Road: Pavement resurfacing
- NEW Traffic Signal at Leon Road and Clinton Keith Road intersection.

#### AREA 2

- NEW Clinton Keith Road: Extend from Leon Road to SR-79 to 6-lanes
- NEW French Valley Creek Bridge and roadway connecting Clinton Keith Road to Winchester Road at the Benton Road intersection.
- NEW Precast Arch Culverts
- Briggs Road: Realign to Los Alamos Road
- Traffic signal Modifications and biofiltration basins

### CONSTRUCTION SCHEDULE

Late Winter 2022 - Late Summer 2023

### COST AND FUNDING

Construction Cost: \$25 million

Funding:

- Clinton Keith improvements: Community Facilities District Bond, Southwest Area Road & Bridge Benefit District and TUMF - Southwest zone (WRCOG).
- Max Gillis Resurfacing: Gas Tax from Senate Bill 1 and City of Murrieta.

Contractor: Security Paving Company, Inc.
