Due to Caltrans time restrictions on oversize loads along the State Highway System occasionally large equipment will be delivered to the project site after working hours.

WHAT TO EXPECT

EARLY HOURS CONSTRUCTION NOISE DURING THE CONCRETE PLACEMENT IN THE BRIDGE DECK: Construction noise will be expected prior to 6 a.m. when the contractor begins to mobilize on site. You can expect to hear back-up alarms, crews voices and large equipment.

DUST CONTROL: Water trucks will be used to maintain dust control as the trucks drive on-site.

SAFETY is priority. Concrete trucks will be using the detour route. Drive with caution near the concrete trucks.
