

CONSTRUCTION NOTICE

November 28 - December 2, 2022

PROJECT PARTNERS

CONSTRUCTION ACTIVITIES

- Continue Briggs Rd realignment.
- Continue to construct the new Clinton Keith Rd.
- Soil stabilization for the Arch Culvert structure.
- Installed signal pole foundations and underground laterals.

WHAT TO EXPECT

CONSTRUCTION NOISE: Construction noise will be expected during working hours.

DUST CONTROL: Water trucks will be used to maintain dust control during construction.

SAFETY is priority. Project cones and traffic control devices will be placed. Please follow all signs.

CONCRETE PLACEMENT: TENTATIVE DECEMBER 7TH

Due to circumstances, the contractor rescheduled the concrete placement in the bridge. More detailed information will be provided a week prior to the concrete pour.

Due to Caltrans time restrictions on oversize loads along the State Highway System occasionally large equipment will be delivered to the project site after working hours.

The schedule is subject to change based on weather, availability of equipment or other unexpected events without notice.

The work will be rescheduled and the early hour construction noise will be expected.
